Subject: Recommendation Letter

To whom it may concern,

Through this paper we recommend widely Project-Pro as a serious, hardworking and responsible company.

Thus it has been shown from November 2013 until the date of this letter in the market prospecting works that SENER O&M has realized in Israel. Project-Pro has collaborated with SENER O&M in the definition of partners and collaborators to Operate and Maintenance two different Energy Plants that SENER has offer in Israel. Performing task as consultant in manpower supply, insurance services, VAT presentation in Israel and others like advisor in different areas, legal issues, search of specialists (mechanical, electrical, I&C, security, HSE,...).

Due to all of these facts, SENER O&M wants to thank Project-Pro the effort and professionalism shown during all these time.

Sincerely,

A handwritten signature in blue ink, consisting of a large, stylized loop followed by a vertical line and a small flourish.
